Hi Monica,

I just spoke with Joe and he mentioned that Janet spoke with OMB and may just want to have an update meeting. She would like to have a 45 min meeting this week. If you have the names of who should be included from your R8 office and OAQPS please provide them to me and I will send out a scheduler. Thank you

Is this meeting for the Uinta Basin FIP? Does Janet have specific questions she wants us to answer?

Joe would be the better person to consult. I have not been involved with this action.
